HRCA Chapter #364

April 2004

## **PRESIDENT'S CORNER**

Okay, now this is more like it! March has been a great month for riding, with just a few weather glitches. We started out with a FANTASTIC day of riding on the 6th. **Steve Wedgeworth** put together an impromptu ride to Crawford and we had a tremendous response. Thirty-Five people on Twenty Six bikes came out for a picture perfect day of riding. No wind, mild temperatures, and great roads. We even got to see the Presidential motorcade go through Crawford from the ranch.

There have been great turnouts for the Saturday rides and the Experienced Rider Course on the 27th was a rousing success with twelve of our riders honing their skills.

That reminds me that this is the time to go over the bikes in preparation for the riding season. Have the prescribed maintenance performed to head off any problems later. Pay special attention to tires and don't try to push a few more miles out of "iffy" ones.

Looking ahead, we have some great things planned. This weekend is our Spring Wildflower Ride to the Hill Country. The flowers are in full bloom and this should be a great trip.

The first Full Moon Ride of the season will be on Saturday, April 3rd, leaving from the Chevron/McDonalds at 9:00pm weather permitting. **JJ Jean** will be leading the ride.

We will be holding a Group Riding Class on Sunday April 18th starting at 6:00pm. Check out the article on page 3 for details.

Don't forget the Ride for the Fallen coming up on April 24th. **Lee & Cathy Hickey** will be leading anyone who wants to participate to the Police Officer's Memorial Ride in Austin. See the article on page 3 for details.

Staying with our plans of having one all day ride each month, we are planning a full day trip to the northwest on April 17th. This will be some of the great roads of the Nocona / Texhoma area. On May 8th, **George Crow** is planning an all day trip to the northeast into the Denison and Oklahoma region.

For overnight trips, **Steve Wedgeworth** has planned a trip to Marshall, then on to Shreveport on May 1st, and **Steve Ray** is putting together a trip to Oklahoma City on June 12th. These both should be fun, scenic trips.

I am also in the preliminary stages of planning a one or two night trip to Mena, Arkansas and the Queen Wilhelmina Lodge in September. Stay tuned!

This is going to be a GREAT riding season, so ride often, ride with friends, but most importantly;

Ride Safe!!!

**Lt. Dan**

### Meeting Minutes - Continued

with a reminder that Sonic Bike Night was the following evening.

The great turnout and fun ride on March 6th to Crawford was discussed. No one had any other past rides to talk about since February was pretty much a wash for any distance riding.

The upcoming rides, including the Experienced Rider Course on March 27th, the Wildflower overnight trip on April 2nd, the Shreveport and Marshall trip on May 1st, the all day ride to Denison on May 8th, and the Oklahoma City trip on June 12th were discussed.

Dave Cothren presented the Treasurer's report, indicating that we have \$494.11 on hand.

The 50/50 drawing was held with **Kevin Vardaman**, **Glenn Cobb** and **Ralph Tucker** winning cash prizes.

The meeting was adjourned.

## NEW MEMBERS

I would like to welcome our new members for the past month. **Kevin & Pam Vardaman** from Grapevine and **Don & Simone Nowell** from Arlington. Everyone is looking forward to meeting you personally.

## SAFETY PRIORITY #1

### I'M SAFE

©**Jackie Vaughan**, used with permission.

Many people use a checklist to prepare for a trip. It might include

### Thought for the Month

Dogs are not our whole life, but they make our lives whole.

**Roger Caras**

gas, tire pressure, first aid kit, et cetera. One item often missing is the condition of the rider himself. Yet the rider's condition is at least as important as the condition of the bike.

There is a checklist which allows the rider to check out himself before every trip. Easy to remember, the list is called I'm Safe. It stands for illness, medication, stress, alcohol, fatigue and emotion. Let's take a look at how each of these factors affects us.

#### Illness:

Many illnesses such as diarrhea, headache or fever can blunt our senses and affect our ability to scan aggressively for hazards or our ability to react to these hazards quickly. Recovering from an illness can do the same.

#### Medication:

Medication such as sleeping pills, even taken the night before, or anti-histamines can make us drowsy. Antibiotics do a good job of fighting infections, but also leave us fatigued for several days.

#### Stress:

Just before a trip is not the best time to air our problems. We will be in a much better mood after a good trip. Take time to relax before starting. Another thing to remember, don't bring the kids.

#### Alcohol:

Alcohol can be summed up in a single phrase-one drink per hour. Make sure there is no alcohol in your system before you ride.

#### Fatigue:

Working long hours at physical labor before a trip is a sure way to start the trip with fatigue.

#### Emotion:

We are all aware that being angry or sad at can keep our mind off our riding, but we should know that being very happy can do the same. We need to take time to think things out before we start.

## Sonic Bike Nights

The mild weather on March 19th meant a great turnout for Sonic Bike Night. There were 18 bikes and almost 30 people enjoying the spring weather and each other's company.

Sonic Bike Nights are the third Friday evening each month. Normally, they are the night after the meeting, but occasionally will be the week before. Mark your calendar or check our monthly calendar for exact dates.

## UPCOMING EVENTS

### Full Moon Rides

The first Full Moon Ride of the season will be on April 3rd. **JJ Jean** has graciously agreed to lead the ride since a lot of us will be in Fredericksburg that weekend.

As with all of the standing rides, inclement weather will override any activities. We can all ride in the rain when we have to, but fun rides aren't fun if the weather is bad.

### Group Riding Class

We will be holding a group riding class on Sunday, April 18th starting at 6:00pm. This will be held at Logan's

Ralph Tucker and his Boss Hoss were the trophy winners for the March Sonic Bike Night.

Road House in Hurst, next to Northeast Mall. It is located on the northbound 820 service road just north of Pipeline Road.

Dinner will start at 6:00 and the training class will begin promptly at 6:30. This should last a couple of hours and will benefit everyone.

You don't have to want to lead or tail-gun rides to attend. This will be an information meeting about group riding practices and training for anyone who wants to help out with rides. Co-riders are urged to attend so they can see what their role in riding is all about.

Logan's has excellent food and a private meeting facility they are graciously letting us use just for eating with them.. So come hungry and sample some of their great burgers, steaks, salads, and other fare. Please let me know if you are attending so we can make sure we have space.

### Ride for the Fallen

**April 24, 2004**

There will be a Ride for the Fallen, honoring officers killed in the line of duty in Austin on Saturday, April 24. Proceeds from the run will go for the upkeep of the Peace Officers Memorial in Austin. **Cathy** and I did the ride last year and there were about 400 motorcycles on a beautiful ride through the Hill Country. We plan on taking a group

## Marshall, TX Poker Run & Shreveport Overnighter

**May 1, 2004**

**Steve Wedgeworth**

On Saturday, May 1. I will be departing the McChevron on Hwy 114 and Main Street in Grapevine at 7:00 A.M. to ride to Marshall, TX for the Poker Run and "Hope For Joshua Benefit." This event is sponsored by the East Texas Road Runners and H & W Honda of Marshall, Texas. I have talked to one of the coordinators and the poker run will be approximately 80 miles in length thru the East Texas country side.

First bike out is 10:00 A.M. and Last Bike in is 1:00 P.M.

After the Poker Run and Festivities, we will head over to Shreveport where I have 15 rooms reserved at the Isle of Capri Casino with a group rate of \$89.00 + tax. This rate is only guaranteed through April 1st. You

*Continued on Page 4*

can't stay in a regular hotel for this rate. I have stayed at the Isle before and it is VERY NICE. You will need to call the Hotel @ 1-877-465-3711 and tell them you are with the DFW Freedom Riders and make the reservations in your name with your credit card. You can specify if you want a room with a King bed or 2 Queens when you make your reservations. Any rooms not reserved by April 1 will be released back to the hotel. We can have dinner as a group or do your own thing. You can gamble or just enjoy the rest and relaxation of the luxury rooms. After breakfast Sunday morning, we will have a leisurely ride back home.

If you are so inclined, you can just make this a day ride and head home after the poker run. If you are interested, please let me know so I can keep a head count. You can call me at 817-741-1333 or email me at [swgoldwing@lscm.net](mailto:swgoldwing@lscm.net)

**Steve Wedgeworth**

## Texhoma Day Trip

**May 8, 2004**

**George Crow**

We will be making a day trip to the Denison and Lake Texhoma area on May 8th. This is the day trip that was postponed in October because of inclement weather. We will head into Denison for lunch, then **George** has picked out some

scenic back roads across Lake Texhoma. This is shaping up to be a relaxing, fun filled, scenic trip.

We will leave from DFW Honda at 10:00am, and this will be the Saturday ride. We should return to the Grapevine area by around 7:00pm.

Anyone wishing to participate in just the first part of the ride is welcome to do so. Just like all of our rides, you can ride as much or little of the route as you wish. Just let the group leader or tail gunner know you are leaving and try to do so only at a rest or lunch stop.

## Oklahoma City Memorial

**June 12-13, 2004**

**Steve Ray** is in the preliminary planning stages of an overnight trip to Oklahoma City to visit the Memorial and other points of interest.

We will leave from the McChevron and Highway 114 and Main Street at 8:00am and take a leisurely back road trip to Oklahoma City, stopping somewhere along the way for lunch. We should get into OKC by mid afternoon, in time to take in some sights. The memorial is supposed to be especially nice after dark.

After an overnight stay, we will return on Sunday. As soon as hotel accommodations are made, we will be sending out an e-mail. Mark your calendars for this one. It should be a great trip.
